Thank you for a great week of camp and the joy of getting to know you a little better. I hope that you had a great time and will cherish you the memories and value the new friendships you have made here at Children's Camp 2010 – Impact. But most of all I hope that you discovered a great and deeper relationship with Jesus Christ. I hope that our leaders here showed you how important it is to have a meaningful daily walk with Jesus through their teachings and their personal examples. Please don't forget the things you have learned while at camp. The most important thing you could have learned from camp is that you need to allow God to make an IMPACT on your life and to have a REAL relationship with Jesus every day of your life. Continue to have your morning "Holy Ground" time.

To our 6th graders, you are a great group of leaders and wonderful kids. I feel that this year we have successfully equipped as you move forward into 7th Grade to be a strong Christian leader. To all our other grades, I look forward to seeing the great things that you are going to do for Jesus throughout the next few years in the Kid's Cove. I hope that you are already making plans to come back to camp in 2011!

You all are "More Than Amazing",

Pastor Charlie
