To Whom It May Concern:

I would like to be considered for any current or future job openings to begin the 2009 school year. I am open and would welcome the chance to teach any grade level that is included in my certification.

I am certified by the state of Texas to teach EC- 4<sup>th</sup> grade and am currently the lead Pre-Kindergarten teacher for Primrose School of Bent Trail in Dallas. I graduated from the University of North Texas with a Bachelors of Science degree in Interdisciplinary Studies in May of 2008 and have student taught for one year for the Frisco Independent School District. During my student teaching experience I taught kindergarten and third grade. I enjoyed teaching both grades immensely and have found great joy in educating all age groups.

I am a caring, determined, goal oriented teacher who puts her students first. I look forward to the challenges, experiences, and growth that are to come during each new year of teaching. My plan is to create a classroom that suits all of the different learning styles that students have as well as to include cooperative learning and meaningful technology based lessons.

I would welcome an interview and look forward to hearing from you at your earliest convenience.

Sincerely,

Abigail Silguero
