

FIRST DALLAS STUDENTS

Temperature Range

100.4 for Students

1. Is your student experiencing any symptoms commonly associated with COVID-19, including, for example, headaches, cough, congestion or runny nose, fever, shortness of breath, body aches, chills, nausea, or vomiting?
2. To the best of your knowledge, has your student or anyone in your immediate family been exposed to someone with COVID-19 within the last ten days?
3. Is your student or anyone in your immediate household currently waiting to receive the results of a COVID-19 test?

If you answered "yes" to any of the above questions, please join us for worship from home and do not return to the church campus for at least ten days from the last date your student was directly exposed to COVID-19 to ensure that he or she has not contracted the virus, or at least ten days from the date your student first demonstrated symptoms or tested positive for COVID-19, and for at least three days since your student last demonstrated any symptoms of COVID-19.

Please note, when your student comes to church, he or she will be asked to confirm that the answers to the questions above have not changed, and that he or she is still able to answer "no" to each question.

To the best of my knowledge, my student, _____ is in good health, is not demonstrating any symptoms of COVID-19, has not been directly exposed to COVID-19, and may attend Student activities in person at First Baptist Church Dallas.
